

INTERNATIONAL BOARD CERTIFIED LACTATION CONSULTANTS - IBCLCs

All lactation consultants listed are certified by the International Board of Lactation Consultant Examiners. IBCLCs are allied health care providers who, by meeting eligibility requirements and certifying by passing an independent examination, possess the necessary skills, knowledge and attitudes to facilitate breastfeeding. Services may include home/office/hospital consults, electric pump rentals, sale of breastfeeding aids, breastfeeding classes, and professional in-services. Low cost or no fee may be available for those who qualify.
